

REMARKS

This response is to the Non-Final Office Action mailed on February 7, 2007. Claims 1-10 and 12-18 are pending in this action. Claims 9-10 and 12-18 are allowed. Claims 1-8 are rejected. Applicant acknowledges the withdrawal of finality of the previous Office Action.

Allowed Claims

Claims 9,10 and 12-18 are allowed. Applicant again acknowledges and thanks the Examiner for recognition of the allowable condition of these Claims.

Claim rejections under 35 U.S.C. §102

Claims 1-8 stand rejected under 35 U.S.C. § 102(e) as being anticipated by U.S. Patent Application No. 2006/0038586 by Xia et al. Additionally, Claims 1-8 are rejected under 35 U.S.C. § 102(e) as being unpatentable over U.S. Patent 7,095,247 to Tang et al. However, Claims 1-8 are cancelled herein without prejudice, making moot their rejections under 35 U.S.C. § 102(e).

CONCLUSION

Claims 1-8 have been cancelled herein, Claims 9, 10 and 12-18 are allowed. As all remaining claims are now allowed, a Notice of Allowance is respectfully requested.

If there are any questions, Applicant's attorney can be reached at Tel: 408-879-6149.

Respectfully submitted,

Michael R. Hardaway
Attorney for Applicant
